Hi Kids! Let me
introduce myself.
My Name is
Walter E Dragon.

A long time ago,
I use to be a
Fire breathing
Dragon.

But as you know
kids, Fire is
very dangerous and
can hurt people.

That's why I have
changed my ways and
have joined my friends
Livia Living and Elvin
Head of Elf and Safety from
Lambeth Living to teach
you all about fire
safety in your home.

Let's go and
fit one in your
home now
livia!

Thanks Walter.
You're the
greatest!

Till the next time Kids
Water E Dragon says
"be Cool about Fire Safety".
